Seven Generations Child and Family Counseling Services

*We welcome you to our
community-based
services...*

“SEVEN GENERATIONS” refers to a core philosophical value of American Indians, which states that for the well being of future generations, the responsibility rests on every generation that comes before them. If we act and make decisions that have the best interest of the *Seventh Generation, our unborn generation*, we will ensure healthy future generations of American Indians.

Seven Generations Child and Family Counseling Services was developed to meet the growing needs of American Indian Children and Families in Los Angeles County.

**SAMHSA
Seven Generations System of Care**

A 6 year grant to establish a full array of mental health and support services organized into a coordinated network. The Seven Generations System of Care intends to meet the unique clinical and functional needs of each American Indian child and family in Los Angeles County referred to our program.
